

DR. A. N. KHOSLA DAY PUBLIC SCHOOL, ROURKELA

NOTICE

DATE: 10.04.2020

As directed by the Govt. of Odisha, the lockdown period in the entire State of Odisha is extended upto 30.04.2020 in public interest. Hence, the Aptitude test to be conducted for provisional admission in class-XI (Science) will be conducted after 30th April, 2020, if everything goes well.

To update the applicants regarding the admission procedure to be decided at the school level, a whats'app group of the applicants is created. On verification of the data from the Admission forms, it is found that some mobile numbers mentioned are not whats'app numbers.

Hence, the candidates are requested to send their whats'app numbers with their names to the following contact numbers to be added in the group. If any other mode of admission process is decided at school level, due to any unforeseen situation in future, the detail procedure will be intimated through this group.

Hence, all are requested to keep in touch with the group or the school website. For any query regarding class-XI Science admission, you can contact any of the following mobile numbers or the school land line number.
