

DR. A.N.KHOSLA DAV PUBLIC SCHOOL, ROURKELA-12

CIRCULAR

Date:20.07.2020

Dear Parents,

During this unusual pandemic situation, I hope, you all must be safe and healthy. The school circulated new fee structure (2020-21) as per the approval of DAVCMC, New Delhi vide our notice dated 16.03.2020 with some new projects and progressive proposals. I express my sincere gratitude to those parents who have already paid fees according to new fee structure. In the prevailing situation, after a threadbare discussion with the local management and with the approval of DAV management, New Delhi, it was decided to defer the enhanced fee structure for this year and the fee structure of last year (2019-20) will be followed during the session 2020-21 to manage the school. The fee books are prepared again and ready to distribute at the school office. I hope you all will appreciate the revised decision of the school. Every member of the school is working to overcome this pandemic situation and trying their level best to keep the students academically update with some new technology. The online fee collection portal in school website www.davrkl.org is open with last year's fee structure. As the office is not open to collect the fee book due to the Lockdown upto 31st July 2020, all parents are requested to pay the fees online through school website at home and help the school. No fine will be charged till 31st July 2020. **Parents who have already paid the fees at new rate, the excess amount paid will be adjusted subsequently.**

The parents are requested to follow the steps detailed below for online payment.

- Click on "Pay online fee" in the school website www.davrkl.org.
- Write admission number as per last year's fee book as user id & password.
- Select months to pay fees.
- Pay fees as per last year's fee structure through Credit/Debit card.
- Keep the soft copy of the web generated receipt for your record.

With warm wishes

Principal
