

DR. A. N. KHOSLA DAV PUBLIC SCHOOL,
ROURKELA-12

Ref. No- DAVPS/RKL/2020

Circular

Date: 24.12.2020

Dear Parents,

Greetings of the day! Hope you are safe and healthy.

We are pleased to appreciate your whole hearted cooperation during this pandemic of COVID-19 to cope with the stress and pressure of the children staying within the four walls of the house for 24 hours. We convey our sincere thanks for your patience and timely support to the tiny tots for the **online classes** and **online examinations** at this crucial time which is indeed a great support to all of us. We also appreciate the teachers adapting to the new normal and trying to ensure that learning is continuous and have tried their best to keep our children engaged even during this pandemic. In addition to the teaching learning process of this session, the school has left no stone unturned to conduct other co-curricular activities, such as online **Summer Quest, Khoj-2020** and Zonal Literary, Cultural Fest "**SPANDAN-2020**" and other celebrations for alround development of the students. Keeping in view of all stake holders and the pandemic of COVID-19 the school management has already reduced the school fees vide Notice No. DAVPS/RKL/2020 dated 14.07.2020. Our sincere gratitude to the parents, who have paid their fees regularly.

During this pandemic situation, with much reluctance, we would like to bring to your kind notice that the financial stability of the school has been badly affected and we are not in a position to give the legitimate dues of the staff members at this pressing time. As a number of write petitions pertaining to the relaxations in the school fees are pending before the Hon'ble High Court, some parents are waiting for the orders of Hon'ble court. The DAV Management always holds the orders of the Hon'ble Court in high esteem.

Under the circumstances, pending the orders of the Hon'ble Court, we request all parents to clear the school fees up to December, 2020 as per the fee structure of 2019-20 without prejudice to your claim by 10th January, 2021 to avoid late fees so that we will be able to meet the demanding financial pressure of the school. We assure all the parents that the excess fees, if any, paid by the parents beyond the orders of the Hon'ble Court will stand adjusted / refunded.

Expecting your whole hearted cooperation in this regard.

Wish you and your family "*A Merry Christmas and A Happy New Year, 2021*".

Thank you

Principal
