Dear Parents,

We express our sincere gratitude to all our stakeholders for continuous support and cooperation for successful completion of the academic session 2023-24.

(2) **New Pre-Summer timing:**

V to XII	7.30 am to 11.20 am	7.15 am	

In Pre-Summer School, only major subjects will be taught. The detailed time table will be circulated to the parents in their respective class whatsapp group. The students should report to the school in time and the school gate will be closed 10 minutes after the reporting time. **All parents are requested to do the needful for picking up their children just at the time of dispersal.** The responsibility of school ceases beyond the school boundary and school timing.

3) The school does not supply note books or any other stationery to all the classes. The parents are required to purchase from the market as per the requirement. However, for uniformity, a detail list of desired note books and books is notified on the notice board. The school does not supply the books from class IX to XII. The students are required to procure the same as per the list supplied on the date of result declaration. Most of the books are published by CBSE / NCERT which are easily available in the market.

4) As a unit of DAV CMC, New Delhi, the school follows the text books published by DAV Centre for Academic Excellence for classes Nursery to VIII, which are not available in the market. Hence, parents are required to collect the books from the school for the classes Nursery to VIII. **The book lists for the above classes have been notified in the notice board.**

5) In consonance with the guidelines of the Govt. and CBSE, to avoid cash transactions, school collects the cost of the books through POS machine. Hence, cash will not be accepted at the book counter. The parents will pay for the books through their debit / credit card in school POS machine.
