

ALTRUISTIC AND EDU-SOCIO INITIATIVE OF DAV

From hopeless end to endless hope -- Corona, Crisis, Death tolls, Departed kith and kins – amidst all dark elements of the present time, DAV Institutions, Odisha Zone II is to sail with a new initiative providing free education upto class-X to the children who have lost their earning parent(s) in this ongoing Covid Pandemic. An extended hand of help and compassion is stretched to these students who are in mental stress and despair by facilitating them with free lessons in their school level. DAV has been a hand-holder during any kind of natural crisis or national disaster by contributing financially to the Chief Minister's and Prime Minister's Relief Fund.

A Google form is created to gather information about the deceased earning parent(s) of such students. Students are appealed to avail this opportunity. Such pioneering initiative of DAVCMC has been widely welcomed and appreciated.
